Match Funding

HELP US RAISE MORE MONEY WITH MATCH FUNDING!

What is Match Funding?

It is a fantastic way to **double** the money we raise at school events — at no extra cost to you!

Many employers offer to match the funds raised by employees for charities like us. If you volunteer at a PTA event or help raise funds, your company might match the amount we raise — £100 becomes £200!

Which employers offer Match Funding?

Here are just a few well-known companies that participate:

If you're not sure, ask your HR dept – they'll tell you if you're eligible

How can you help?

1. Volunteer at one of our events (even just an hour!)
2. Check if your employer offers Match Funding
3. Apply through your workplace — it's usually a simple form

Why it matters

With Match Funding, we can support school with more resources for our children — without asking families to donate more.

Weekly cash prizes
£25,000 jackpot

Splitting the £1.00

How it works...

It's simple—choose 6 numbers between 0-9 and if they match the weekly lottery draw, you win great prizes. One of our players will win a cash prize every week, maybe even the £25k jackpot! Tickets cost just £1 per week and the proceeds are donated to St George's Primary School

Every Saturday at 8pm the numbers are drawn and posted online. Winners are notified by email and winnings paid into the account of your choice.

The easiest way to join our lottery is online at YourSchoolLottery.co.uk by direct debit or debit card.

It's so easy to join and will make a real difference to St George's Primary School

The Maths... 100 tickets sold a week means
= £30 weekly cash prize
= £2,080 a year for our school
