

St George's Primary School

Anti Bullying Policy Updated January 2021

Rationale

St George's Primary School is completely opposed to all forms of bullying and will not tolerate it under any circumstances. All members of our school community have the right to learn, work and play in a secure and caring environment; free from harm. They also have a responsibility to contribute in whatever way they can to prevent and report bullying behaviour.

Definition

At St George's we discuss what bullying is, as well as incidents that we would not describe as bullying. We discuss this with all pupils through assemblies, PSHE lessons, pupil interviews (with each class) and school council meetings. The school council and anti-bullying ambassadors have worked together, alongside parents and governors, to devise their own definition of bullying:

Bullying is behaviour that is usually repeated over a period of time that makes a person feel unhappy, uncomfortable or unsafe.

Forms of bullying

- **Verbal** – name calling, tormenting, threats, Racism, Homophobia, Transphobia, of a sexual nature or regarding a person's disability.
- **Physical** – Hitting, kicking, spitting, pulling, pushing, biting
- **Indirect** – Spreading rumours, glaring and staring, isolating them from games, writing graffiti notes, refusing to talk to a person. This can cause emotional and social harm.
- **Cyber/On-line** – bullying through social networking, online gaming, text or direct messaging, photo changing software, emails, prank telephone calls, video hosting sites

Bullying can be based on any of the following things:

- Race (racist bullying)
- Religion or belief
- Culture or class
- Gender (sexist bullying or bullying against people choosing to identify with a different gender or status)
- Sexual orientation (homophobic, bi-phobic bullying etc.)
- Gender identity
- Special Educational Needs or Disability (SEND)
- Appearance or health conditions
- Related to home or other personal situation

Consultation and Participation Process

This policy has been developed by the Anti-Bullying Steering Group. Reviewed in 2019 and again 2021. This groups consisted of parents, governors, staff and children.

We will continue to develop our anti-bullying work by:

- Participating in National Anti-Bullying week
- Awareness raising programmes – through SEAL, Command Joe and outside agencies.

Preventative measures

At St George's we believe that preventing and raising awareness of bullying is essential in keeping bullying incidents to a minimum. Through assemblies and PSHE lessons children are given regular opportunities to discuss bullying and its impact on others. Children will also discuss incidents that we would not describe as bullying, such as two friends falling out or a one off argument. Pupils are encouraged to tell an adult if they are concerned that someone in school is being bullied.

Through character education (supported by Commando Joe) children are taught about different character traits and the impact of their behaviour on other people:

RESPECT

Resilience – determined; self-controlled; persistent; courageous; diligent; perseveres

Empathy – fair; compassionate; kind; courteous; unselfish

Self-Aware – self-confident; self-disciplined; honest; humorous; humility; adaptability

Positivity – gratitude; motivated; positive attitude; inspires; willpower

Excellence – creative; curious; inspires; pride; critical thinking

Communication – listens; influences; feedback; reflective; evaluative; presence

Teamwork – cooperates; responsible; cares; decision maker; helpful; unity; patient

The school council regularly discuss anti-bullying work in their meetings. We have 'Anti-Bullying Ambassadors' who are pupils that work alongside nominated parents, governors and staff in an anti-bullying steering group. Some children are trained as play leaders and peer mediators. This helps to keep the children engaged during playtimes and gives them somebody to go to if they have had a fall out with another child. The peer mediators are able to clearly define what counts as bullying and know who to direct the children to for further help. The anti-bullying steering group will meet regularly to ensure that anti-bullying work is taking place in school and to support school in regular reviews of current practice.

Strategies

1. We will use our behaviour policy effectively to promote good behaviour so that there is an ethos where bullying is unacceptable.
2. All will be expected to be vigilant and to intervene immediately and effectively if any bullying is observed or reported.
3. Learners will be encouraged to report bullying and when they do so they will be listened to and taken seriously.
4. Every allegation of bullying will be investigated and followed up. Recorded on Scholar Ack and bullying log maintained.
5. Any victim of bullying will be well-protected immediately and in the future.
6. Any allegations of bullying will be reported to the head teacher.
7. PSHE and circle time will be used to discuss bullying and to ensure that all are aware that bullying is never acceptable and that the victim must always report it to parents, staff or friends.
8. We will use the school's behaviour policy to reinforce this anti-bullying policy.
9. Stereotypes are challenged by staff and children across the school.
10. Learners and their parents will be made aware of this policy.
11. Children will be trained as peer mediators and play leaders to support all pupils. Including those who may have been the target of bullying.
12. We will take part in national initiatives such as 'Anti-Bullying' week and 'Safer Internet' week.
13. Difference and diversity will be celebrated across the school through displays, books and images. The whole school will participate in events such as Anti-Bullying Week, Safer Internet Day, Black History Month, LGBT History Month, Diversity Week

14. Each class will develop a display of the school charter in their classroom and this will be revisited regularly through class circle time.
15. All children will be taught about their rights and responsibilities towards each other.

Procedures for dealing with incidents of bullying

- Staff should follow the anti-bullying procedures flowchart to ensure that all appropriate procedures for support and consequences are followed. See appendix.
- All reported incident of bullying must be recorded and passed to Assistant head teacher, deputy head teacher or in their absence; the head teacher. These will be logged in school incident file.
- Children should follow the child friendly guidance. This will be regularly discussed with the children in their classes. See appendix
- Parents should follow the anti-bullying procedures flowchart. See appendix

Consequences

- Consequences will be decided upon in line with our behaviour policy.
- Support will be offered to both parties.
- It is important that children who display 'bullying' behaviour are worked with to try and help them to empathise and understand how they have made the other person feel.

Bullying outside of school premises

Section 89(5) of the Education and Inspections Act 2006 gives Head teachers the power to regulate pupils' conduct when they are not on school premises and are not under the lawful control or charge of a member of school staff. This legislation does not apply to independent schools.

By making good connections throughout the schools community with local residents, transport providers, Community Police officers, local businesses, park rangers etc, Head Teachers can gather evidence of bullying incidents outside of school.

Monitoring and reviewing

This policy will be monitored regularly by the SLT and the school governors. The effectiveness of this policy will be reviewed annually by the governors. Views and opinions will be gathered on the content and impact of this policy through the anti-bullying steering group.

This policy has been developed in consultation with the school community including pupils, parents, staff and governors.
