TIMES TABLES ROCKSTARS Rock Wrangle

Years 3-6

Dear Parents/Carers,

Thank you for supporting your child with their multiplication and division facts using TTRockStars this year. When it comes to times tables, speed and accuracy are important – the more facts your child remembers, the easier it is for them to do harder calculations.

To celebrate the pupils' efforts in **years 3-6**, we will be holding a '**Rock Wrangle**' on **Thursday 15th July**. This will involve the children competing in a series of heats and head-to-head times tables-offs to find out who is the 'Ultimate Times Table Rock Hero'.

On **Thursday 15th July**, all children in the above year groups are invited to dress up as a rock star in preparation for a day of times tables, music and excitement. Awards will be given out in each year group for children with the fastest recall speed and best accuracy, highest coins earned, most improved scores and best dressed.

We can't wait to rock and roll!

Thank you for your continued support,

The Maths Team
