

**Daisy**

2a

During lockdown there are lots of good times and some tricky times

What I have really enjoyed in the lockdown is that I spent time with my family and I went in my Jacuzzi.

The things I have found tricky is that I do not spend time with my mum because she is a nurse.

I have really enjoyed spending time with my family but not my mum because she is a nurse.

I have enjoyed school and with my sisters in the lockdown. I really enjoy school because I spend time with my lovely teachers and my friends.

My friends play with my when I have no one to play with.

In my Jacuzzi I really love it and I just went 2 times I love it.
