

Rebecca

During lockdown there are lots of good times and some tricky times.

I have really enjoyed spending time with my family because my Mum has a new bike and I have one too, so does my sister and we go on a bike ride together.

There have been some tricky times like having to be 2m apart all times even at school when where having lunch at school and even when were not in school.

I have learnt how to use a computer and how to do gym on zoom and talk to people on house party and how to stay 2m apart.
