

## An internet we trust

Exploring reliability in the online world

Safer  
Internet  
Day 2021

Dear Parents/Carers,

On **Tuesday 9th February and during the week of**, we will be joining schools and youth organisations across the UK in celebrating **Safer Internet Day 2021**. Safer Internet Day is a global campaign to promote the safe and responsible use of technology, which calls on young people, parents, carers, teachers, social workers, law enforcement, companies, policymakers, and more to join together in helping to create a better internet.

Using the internet safely and positively is a key message that we promote in St. George's Primary School and celebrating Safer Internet Day is a great opportunity for us to re-emphasise the online safety messages we deliver throughout the year. Some of the activities we'll be participating in during the week include;

- Drama workshops for year 5 and 6,
- Poster and animation competitions in each unit highlighting the Safer Internet messages,
- Assemblies,

Many activities will be undertaken through the week and will vary throughout the year groups.

We would be delighted if you could join us in celebrating the day by continuing the conversation with your child/ren. To help you with this, you may be interested in downloading the free Safer Internet Day Education Pack for Parents and Carers which is available at: [saferinternet.org.uk/sid-parents](https://saferinternet.org.uk/sid-parents).
